- ✓ Always friendly, clear and to the point

The image shows a screenshot of the Migom Bank onboarding interface. The main form is titled "Email address" and contains a text input field with "james@gmail.com" and a blue "Confirm" button. Below this is a "Payment method" section with two options: "BTC" (selected) and "EUR SEPA". A dark blue banner below the payment methods says "Add dedicated SWIFT *20% discount" with a "SWIFT" icon and an "APPLY" button. The "Total onboarding fee:" section has a checkbox labeled "I agree with [non solicitation form](#)". At the bottom of the form are two buttons: "Back" with a left arrow and "Main Menu" with a person icon. Overlaid on the right side of the form is a white chatbot window. The chatbot window has a list of menu items, each with an icon and a right arrow: "What is Migom Bank" (question mark icon), "Why us" (lightning bolt icon), "Licenses and accepted jurisdictions" (scales icon), "Personal Bank account" (person icon), "Business Bank account" (person with glasses icon), "FAQ" (lightbulb icon), "Ask manager" (person icon), and "Exchange BTC/USD and backwards" (exchange icon). The "Exchange BTC/USD and backwards" item is highlighted with a blue border. At the bottom of the chatbot window is a red button that says "Get your account in 10 minutes". The Migom Bank logo is in the top right corner of the dark blue background.
